Hi Alex (with cc's to Tim and Chris),

I just shared a OneDrive doc that lists the ongoing air enforcement cases at well sites. Page 5 of the doc is my stab at listing cases and descriptions of ongoing cases outside the R6/NM and R3/ Marcellus cases. I really appreciate your offer to help fill in the gaps.

Please don't hesitate to call with any questions you have. As to timing, we are briefing Phill Brooks Tuesday 9/3, 2:00 EDT. It would be good to have as much of this filled out by then as possible.

Thank you very much.

Bob
